# Add your style statement to:

## THE KITCHEN

Our glass offers a modern, stylish and striking alternative to tiles, stainless steel and granite with an easy-to-clean surface. For additional aesthetic appeal, our back-painted glass can be custom-made and added to walls. All glass surfaces come in a variety of colors, patterns and style effects including quartz and flash for extra shimmer and shine.

## YOUR BATHROOM AND LIVING AREAS

Add our modern, bright and hygienic glass to bathroom shower doors, sinks or other wet areas for immediate impact. Add an extra touch of decorative design for modern living or work spaces.

## GARDEN AND INDOOR BALUSTRADES

Deliver uninterrupted outdoor views and increase the flow of any home with our beautifully crafted balustrades made by our hand for your design needs.

## COMMERCIAL SPACES

Sleek and sophisticated office furniture made entirely from elegantly tempered glass create a space unlike no other that transmits confidence and success.

## SEE THE BEAUTY OF GLASS

- » Contemporary and stylish
- » Clean and hygienic
- » Adds a spacious and modern look
- » Light reflective surface brightens any room or location
- » Enables uninterrupted views
- » Strong and durable
- » Custom made for exact fit
- » Heat and impact resistant

With VistaGlass Direct's revolutionary glass products, you can add décor and design to any space to create a stunning, bright and luxurious solution in a cost-effective way.
